LEWISBURG
MARKET STREET
ARTS
FESTIVAL
ARTIST
APPLICATION

Saturday
April 30, 2011

*Sponsored by the
Lewisburg Arts Council*

Artists and crafters are invited to participate in the Lewisburg Market Street Arts Festival. Market Street will be open to pedestrian traffic only, giving you an excellent opportunity to show and sell.

ELIGIBILITY

All artists and crafters, professional or amateur, are invited to enter. To ensure crafts of the highest quality, all entries are juried by a panel of professionals. The judges reserve the right to limit the entries due to duplications or lack of space. All items must be handcrafted by the entrant, who must be present at the Festival. Only one craftsman may occupy each booth space.

FEES & CONDITIONS

Booth spaces are 10' X 13'. A non-refundable jury fee of \$10 plus a \$65 booth fee must accompany all applications. These two fees must be SEPARATE checks made payable to The Lewisburg Arts Council. It is suggested all booths consist of 2 sides and a backdrop as well as some type of overhead protection as the Festival is held rain or shine. No electricity is provided for booths and no booths may be staked down, but must be secured with sandbags. Any variations must be approved by the committee.

FESTIVAL LAYOUT

Artists booths will be positioned back to back down the center of Market Street and will run from Front Street to 6th Street. Any special requests for booth spaces should be noted on the application; we will do our best to accommodate all requests.

ARTS FESTIVAL JURY POLICY

Artists will only be required to be juried by our panel of judges every three years. Any artist accepted prior to 2009 will need to be juried this year. Any artist who is accepted into the Lewisburg Arts Festival this year will not need to be juried until 2014. The exception to this policy will be if there is significant change to an artists work as determined by the artist or by the Festival committee. Artists must notify the Festival committee, in advance, if the nature of their work changes. The Festival committee will track the last year an artist was juried and accepted into the Festival.

On the years an artist is exempt from jurying, they must submit a signed "jurying exempt" application with ONLY the \$65 booth fee. Artists juried but not accepted may reapply each year but must be juried each year until accepted.

HOW TO ENTER

All artists must submit a completed, signed application. Entrants who are new this year to the Festival, or who have not been accepted into the Show in the past 3 years must be juried. These artists must submit 4 quality images (3 of artist items and 1 of the booth). Images must accurately represent the nature and quality of the work to be exhibited. Slides must be 35mm, professionally mounted with an arrow pointing to the top of the slide. Digital media will also be accepted. Photographs are acceptable but often give the poorest representation of artists work. All submissions must be clearly marked with the artists name. Short descriptions of the work may be included and will be read to the judges during the jurying. **For images to be returned, submissions MUST be accompanied by a self addressed stamped envelope with sufficient postage attached.** Those without envelopes and postage will NOT be returned. All applicants must sign the waiver as part of the application requirements.

DEADLINE

Entries must be received by the Festival Committee by Monday, March 14, 2011.
